A class of its own, this beautiful Canterbury 370 Display home has been designed with class. The Canterbury comprises four bedrooms and a living area upstairs with balcony for relaxing, while downstairs offers multiple living options, ensuring both space and privacy for every member of the family. Entertainers will love the home's well-planned layout, with its open-plan kitchen, family and meals area opening to a covered alfresco area for year round use.

On entering you are greeted with an elegant open entry, with full length window that offers lots of natural light, then a living and study, opening up into a large open plan family/meals/kitchen, complete with large alfresco. This home comes with high ceilings, 900mm stainless steel appliances, fitted out butler pantry, stone benches and vanities, heating and cooling throughout, landscaped gardens and much more. You wont be disappointed.

This home is perfect for growing families, as well as avid entertainers or those looking to up size.
